TO: Schools Participating in the GSEG Online Pilot Test
FROM: Judy Snow
DATE: November 2009
RE: Technical Requirements for the Online Pilot Test

- Children's Progress is the online testing contractor for the GSEG Online Pilot Test.

- The second page of this document provides information from Children's Progress on the technical requirements for connecting to and using the online system.

- Please review these details immediately so that you can contact Children's Progress as soon as possible with your questions. More detailed information will accompany test administration instructions later.

Thank you.

Technical Requirements

Children's Progress

Not to worry! You'll need only the most basic computer technology to use the CPAA. We specifically designed our program to create minimal strain on your resources and technical personnel. You can share this list with a technical specialist or just give us a call to make sure your school has what's required. See our contact details on the bottom on this page.
